------------------------	--------------	---------------------------------

Our *Helping Hands* ministry provides care for the body at Cole in a compassionate and practical way. Members of the Crisis Meals committee provide meals for those in need during times of illness, hospitalization, death of a family member and other emergencies. The Food Cupboard ministry provides food during times of financial hardship. If you're interested in serving on this committee or know of needs, please call the church office at 375-3565.

The Widows Connection updates are on the web at widowconnection.colecommunity.org.

The church library is available for you to check out books covering a wide range of topics as well as audiotapes, movies and periodicals. Take some time to register, check out a book, tape or magazine and find help, challenge and refreshment.
