## GALATIANS: LOOKING BACK

In this final lesson for the book of Galatians, take some special time to read carefully and prayerfully once more through this wonderful epistle. Allow the Lord to set your pace, to refresh and bless you in His Word. You may also wish to look back through your completed lessons from this series to remember again what He was teaching you from week to week. The following questions are for you to consider and enjoy; it may be helpful to read them over before you begin. May Jesus Christ be praised!

1.	As you read again through each chapter of Galatians, note the verses/phrases/truths that have
	been most meaningful to you.

2. What have you seen in the Apostle Paul that you found particularly comforting, challenging or encouraging?

3.	How would you now sum up the basic message(s) of this epistle?
4.	How has God used this book in your life, through His power and grace? You may enjoy looking back at the application questions in your weekly lessons to remember again His faithful hand in your life.
5.	What have been your favorite memory verses? Why?
То	God be the glory, for the things He has done! Close your time together in praise to Him.
