

Gospel of John Review

Drawing Near: *Lord Jesus, we thank You for giving us the precious book of John. We pray that our lives will be forever changed by these words You had penned for us—living words that beautifully reveal Your deity through simple, yet vivid language. May our hearts return often to these pages to drink anew from Your never-ending spring of living water!*

The Gospel of John reveals Jesus Christ in a way that no other gospel does. It focuses on His identity and gives us wonderful pictures of His greatness.

1. As you review the first 12 chapters:
 - a. Make a mental note of the various descriptions/names given of Jesus. Tell how your study of these names and descriptions has expanded your understanding of God.

 - b. List the various signs and wonders done by Him and what that reveals to you of His greatness and glory.

The final chapters of John (13-21) include intimate sharing and fellowship with His disciples, His dying and His resurrection.

2. What words from Jesus do you treasure most from your review of His final dialogue with the eleven disciples and/or with His Father? Why?

3. From your study of this gospel explain why Jesus chose to die and be resurrected from the dead.

4. All the way through this book we have seen the response of people who came face-to-face with Jesus. How has your study of this book affected you spiritually? How has your encounter with Jesus in the Gospel of John changed you?

5. Write out a prayer thanking God for bringing you to this place in your journey.
